LAKE STATION NEWS

- **Garbage Cans are on the Way.** The City will be receiving daily shipment of the garbage cans July 8th-20th and will begin distribution approximately July 15th from 8am-4:30pm. Trash & Recycle cans will be left in front of house closest to your front door if no one is home, along with the welcome packet.
- **2009 Annual Water Quality Report** The Lake Station Water Dept. is pleased to report it's Annual Water Quality Report and that the water supply surpassed the strict regulations of both the State of Indiana and the U.S. EPA
- **Water Bills New Look** The Lake Station Water Dept. water bill has a new look with some minor differences in your water/sewer bill. The Water Dept. has completed its upgrade of the new computer software. Residents will be able to pay with a credit card and soon be able to pay online and view account information.
- **Directional Signs** New directional signs will be popping up around town to give commuters a direction on where things are in our town. Any business interested in advertising on the directional signs please contact the Mayor's office at 219-962-2081.
- **Police Hotline** Police Department has created a Drug and crime program and urges residents to come together as a community. Any resident interested in helping in cleaning up our streets can now call the drug and violent crime Hotline (962-1186 ext. 234)
